MEMORANDUM FOR DISTRIBUTION

Subj: FISCAL YEAR 2003 (FY03) DEPARTMENT OF THE NAVY (DON)
PROCUREMENT COMPETITION GOALS

Ref: (a) ASN (RDA) ABM memo of 30 July 2002

Encl: (1) FY03 DON Procurement Competition Goals

Your inputs for DON FY03 Competition Goals were solicited in reference (a). Through analysis of your recommendations and your achievements in FY02, I am establishing the FY03 DON Procurement Competition Goal at 55 percent.

The significant amount of sole source procurement dollars planned for this fiscal year will present us with a real challenge. We need to keep our acquisition community focused on the reality of procurement competition established by the Competition in Contracting Act.

Your respective goal in support of the DON Competition Goal is provided in enclosure (1). If you believe that the goal established for your command is incorrect, a reclama with appropriate rationale is requested within 30 days of receipt of this memo.

My point of contact is Mr. Bill McAninch at (703) 602-2390 or McAninch.William@hq.navy.mil.
